Art Unit: 3764

1. The following is an examiner's statement of reasons for allowance: The prior art of record fails to show or teach applicant's claimed exercise apparatus comprising a main frame having a rotary body connected thereto; two treadle bars for user support each pivotally connected at one end to the rotary body; two rocker arms pivotally connected to the other ends of the treadle bars; a connecting mechanism having two connecting rods each pivotally connected at one end to an intermediate location on a respective treadle bar; two second connecting rods each pivotally connected to a respective rocker arm; and two positioning rods each pivotally connected at a first positioning rod end to a second end of the first connecting rods, at a first connecting point to a second end of the second connecting rods and at a second connection point to a second end of the main frame; wherein the first and second connecting points are located between the first and second positioning rod ends.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steve R. Crow whose telephone number is 571-272-4973. The examiner can normally be reached on Reg:8:30-6;Off First Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Greg Huson can be reached on 571-272-4887. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
